CHAPEL WALK

Commemorative Tile Worksheet

Your name, the name of loved ones or a short prayer could become a permanent part of our parish history!

Resurrection Parish is beautifying the cement pad on the side of our worship area with 12"x12" tiles engraved with names or other inscriptions. A $60.00 donation for each tile provides up to four lines of type. A space between characters is considered a character.

Condensed type gives more characters per line. See table for maximum characters per line.

Standard and condensed type, 1 inch and 3/4 inch high can be used on the same tile.

"Roman" type face	Character Height	Characters Per Line
Standard	1 inch	14
Condensed	1 inch	18
Standard	3/4 inch	18
Condensed	3/4 inch	23

Print your inscription request in the spaces provided below. Print your name, address and phone number and submit completed form for approval along with your donation to the parish office during normal business hours. Use a separate form for each tile.

Because of variables such as the schedules of our artisans and the weather, there are no guarantees as to how soon the tiles can be installed.
