### Electronic Door Security System

The electronic door security system will be turned on beginning Monday, **August 10th**. This is an ideal time since traffic is lower than usual. Here's what you need to know:

- The doors will generally be locked, except for Mass.
- Visitors should come to the **main door** and press the **Door Bell**, which is located on the column just before you get to the door. It has a camera too.
- Stand there (at the door bell/camera) and wait for a response.
- The person in the office can see the visitor and will speak and then unlock the door.
- This is new to all of us, so please be patient!

### Gentle Reminder Regarding the Tabernacle

As we return to Mass, notice the tabernacle has been moved from the Blessed Sacrament chapel into the sanctuary under the foot of the Christ sculpture. As a sign of respect and reverence for the Real Presence when entering the Church and before entering the pew, we genuflect, if able, while facing the tabernacle.

### Audio/Visual Ministry

During this time of COVID-19 and physical separation, our Resurrection staff quickly realized the necessity to evangelize in new ways using new technology. By livestreaming Mass, we are able to bring Liturgy into the homes and many parishioners and friends around the world! Even parishioners who have moved away.

We are realizing that there will always be those in need of this ministry, so we are asking for volunteers to assist us in maintaining livestreaming the Mass.

If you are interested or feel called to help with Audio/Visual Ministry, please call or email Deacon Barry or Melissa. Come be part of this exciting team!
