Parents, please help monitor so we can have a fun and safe celebration of Jesus' Resurrection!

**Exciting News!** Our last printed directory came out in 2018, and there have been numerous changes in our membership since then. The company we used then (Lifetouch) is no longer in the business of producing church directories, so we found an alternative. The online directory is flexible and offers many options, and it is very secure (tied to your email and a password you create). We encourage you to check it out and review your information. You have the option of editing your own information and/or uploading a different picture. We hope everyone will have a photo.

The [church directory](#) is available to view on any web browser! **Instant Church Directory**, the program we use to build our church directory, has a free website for church members to view our directory online.

To view the directory online, go to [members.InstantChurchDirectory.com](http://members.InstantChurchDirectory.com) to log in.

You will be asked to enter in your email address as it's listed in our database. If your email address isn't listed in the directory, let Jennifer know so it can be added.

The first time, click on the **"Create a login now"** under the **Sign In** button. Enter your email address and set up a password to be sent an email confirmation. Click on the link inside that email to confirm your email and log

Our parish participates in the Kroger Community Rewards Program, and we extend a BIG thank you to the **144 households** who have their Kroger Rewards Card linked to Resurrection.
