RENOVATION SCUTTLEBUTT

Intensive work is continuing this week on preparing the foundational infrastructure to support Resurrection's new worship space entrance. Other outdoor activity includes ground preparation for the canopied drive-up side entrance and the masonry work required for our new elevator shaft. The Renovation Committee design team is continuing work on making selections for altar furniture and ornamentation, including the selection of the new Crucifix that will hang over our altar.

Not very pretty now, but it will be!
