IMPORTANT NOTE FOR SPONSORS:

Have you explained to your applicant that Cursillo is not a club or an organization, but a movement of the Catholic Church, in the Diocese of Richmond, meant to enable persons to better live and share their faith with others through piety, study, and action? As a sponsor you assume certain responsibilities toward your applicant. In brief, these are: personally getting your applicant to the weekend location, supporting your applicant through prayer and Palanca before, during, and after the weekend, attending the closing ceremony and personally returning your applicant home, making sure that your applicant finds a Reunion Group as soon as possible after the weekend, taking your applicant to Ultreyas for at least the first year after the weekend and being available for prayer and discussion with your applicant any time before or after the Cursillo Weekend.

I am fully aware of and I accept my responsibilities in sponsoring the above applicant.
